BAROSSA VALLEY

2001 ROSÉ

The 2001 is another classic Turkey Flat Rosé – displaying perfumes fruit and freshness, typical of the style for which we have gained an enviable reputation. This is the first wine to be produced from our new winery.

The 2001 growing season was warmer than average, ideal for the development of vibrant colour and flavour in red grapes.

This year's Rosé is a blend of Shiraz (45%), Grenache (28%), Cabernet Sauvignon (19%) and Dolcetto (8%). The addition of Dolcetto, a highly regarded red variety from the Piedmont area in Italy, to the blend has contributed freshness and spiciness and an extra layer of complexity to this very popular wine style.

The Wine

Oak Treatment	– Nil
Colour	– Pink
Nose	– Perfume, sweet
Palate	– Plum, and dark bitter chocolate
Cellar	– One to two years
