BAROSSA VALLEY

2004 ROSÉ

Australia is ideally suited to producing and consuming wine as fruity, refreshing and reviving as an ice cool glass of Rosé. We enjoy the perfect climate and have the ideal grape varieties, as well as the perfect food culture to complement this style of wine.

The 2004 Rosé is a blend of Grenache, Cabernet Sauvignon, Shiraz and Dolcetto. Each of these varieties adds its own character to make this our most complex Rosé yet. The colour is rose petal pink with a panoply of red fruit flavours such as raspberries, cherries and leafy red and black currants, fresh acidity and an ever so slight 'spritz' on the palate from naturally retained CO₂.

The Wine

Harvested	- March 2004
Varieties	- Grenache (45%), Cabernet (24%), Shiraz (24%), Dolcetto (7%)
Oak Treatment	- nil
Bottled	- May 2004
