BAROSSA VALLEY

2008 SHIRAZ VP

In 2008 the Barossa Valley experienced 13 days over 35 degrees- a one in 1,000 year event which provided the ideal conditions for us to produce this rare release of fortified Shiraz.

Sourced from the original vines planted by Silesian refugee Johann Frederick August Fiedler in 1847 and in honour of our Barossa winemaking heritage, which was founded with the production of fortified wines such as this.

The wine had a slow, controlled fermentation before fortifying with the finest brandy spirit following maturation in small French oak casks.

A dense sweet wine which is best served by an open fire with strong aged cheeses or with chocolate truffles.

Vintage Port is enhanced by many years of bottle maturation, we recommend decanting after opening and drinking within a few days.

The Wine

Bottled	- July 2008
Colour	- Inky, deep purple
Nose	-Stewed plums, licorice and spice
Palate	- Viscous, with sweet, concentrated fruit characters, lifted brandy spirit and spice
Cellar	- 5 to 25years
Alcohol	- 17.5%
