

TURKEY  
FLAT  
VINEYARDS  
BAROSSA VALLEY

1992 SEMILLON

Our first Semillon was produced from 45 year old vines planted at Turkey Flat section one. The wine was made at Basedow Wines in the Barossa Valley, to our specifications using American oak barrel fermentation and maturation.

These aged vines from our vineyard have consistently produced award quality fruit with fresh citrus, honey, floral and a well balanced palate.

Semillon, once the poor cousin to Chardonnay, is undergoing a renaissance in Australia. Much of that rebirth interest has come through the magnificent full bodied Semillons produced in the Barossa Valley such as this wine.

*The Wine*

Oak Treatment	– 6 months in American oak
Colour	– Straw yellow
Nose	– Citrus, toasty and honey
Palate	– Creamy palate with fresh citrus
Cellar	– Up to seven years
Alcohol	– 12.5% alc/vol
