1993 SEMILLON

Semillon, once the poor cousin to Chardonnay, is undergoing a renaissance in Australia. Much of that rebirth interest has come through the magnificent full bodied Semillons produced in the Barossa Valley.

This is our second release of the Semillon, and was made at Basedow Wines in the Barossa Valley. The fruit for the Semillon, is grown at Turkey Flat, and was made to our specifications using American oak barrel fermentation and maturation. The aged vines in our vineyard have consistently produced award quality wines.

The Wine

Oak Treatment	– Six months American Oak
Colour	– Straw/Yellow
Nose	– Fresh citrus
Palate	– Green apple and honey
Cellar	– Up to seven years
Alcohol	– 13.5% Alc/Vol
