1994 ROSÉ

A new edition to our range, the 1994 Rosé is an exciting, fun wine well suited to summer entertaining.

This first Turkey Flat Rosé was made at Charles Melton Wines. All of the grapes were harvested on the same day even though the Cabernet Sauvignon component was under ripe. It was here we discovered the advantage of using low Baume Cabernet Sauvignon to provide a natural acid addition to the wine.

This resulted in a wine with terrific natural acid giving it mouth feel and mature fruit flavour. We defy you to stop at just one bottle when you have friends around for that Sunday antipasto lunch on the courtyard.

Good pink wines are light crisp and fresh. This one may be described as an operetta wine but it is a first class operetta. We have used Grenache, Shiraz, and Cabernet to make a wine which gives pleasure in a light hearted, undemanding way. Pink wines are always served chilled.
