## 1994 SEMILLON

Semillon is the Barossa's classic white variety, and is becoming widely recognised in Australia and overseas for its striking citrus and lime flavours.

Grown in our Turkey Flat Vineyards on the Barossa Valley Floor it ripens beautifully, developing full flavoured fruit of outstanding character.

The 1994 vintage had a lovely fresh lemon-citrus nose and these flavours carry through to the palate. Judicious use of new American oak and two months on lees after barrel fermentation have introduced the right amount of complexity to complement this fruit, making this a very well integrated and enjoyable wine.

After a year of bottle maturation this wine is now starting to show some of the stunning golden colours and rich flavours of maturity, along with added complexity which will make it ideal with seafood or poultry.

### *The Wine*

Harvested	– late March 1994
