1995 SEMILLON

The 1995 Semillon was produced from our 45 year old vines at Turkey Flat, and made at Basedow Wines in the Barossa Valley.

We struggled through the 1995 vintage and managed to pick our lowest yielding crop of Semillon ever. This resulted in a concentrated and wonderfully textured wine. The small bunches created a wine with great palate weight and superb complexity as a result of barrel fermentation and maturation in new American oak barrels.

The Wine

Oak Treatment	– Six months American Oak
Colour	– Straw/yellow
Nose	– Passionfruit and honeysuckle
Palate	– Lemon and topical fruit
Cellar	– Up to seven years
Alcohol	–12% Alc/Vol
