BAROSSA VALLEY

1996 SEMILLON (Unwooded)

The grapes from our 45 year old Semillon vines produced fruit of exceptional quality this vintage, that we decided to bottle the wine without the influence of oak. This lively and fruity wine was made at Barossa Vintners and spent six months on lees producing a fresh complex style.

On the palate this unwooded style displays lemon and grassy characters, and can be consumed now or will be even greater in years to come.
