BAROSSA VALLEY

1997 SEMILLON (Unwooded)

Produced from 45 year old Semillon vines grown in the Turkey Flat Vineyards, this is our second vintage of unwooded Semillon.

Although in some cases oak maturation compliments fruit flavours in the making of white wine styles, it can also have a tendency to over power them. We feel that this wine, without the influence of oak, fully displays the unique characters of Barossa Semillon.

Six months on lees and strong varietal characters attributable to the slow ripening conditions of the 1997 vintage have produced a complex and enjoyable wine. Drink now or cellar for up to 7 years.

The Wine

| | |
|---------------|---------------------------------|
| Oak Treatment | – Nil |
| Colour | – Pale Straw/yellow |
| Nose | – Herbaceous and tropical fruit |
| Palate | – Tropical fruit, and lemon |
