BAROSSA VALLEY

1999 ROSÉ

The interest in this style of wine has made a resurgence in Australia in the past couple of years and we are finding it difficult to keep up with demand.

This wine is almost identical in style and structure to the 1998 and we are sure you will be delighted with it. Rosé is a great alternative for the traditional pre-dinner drink and as we tell all of our customers, please drink it at the temperature you would normally drink beer. It is again made from a blend of Grenache, Shiraz and Cabernet Sauvignon.

Good pink wines are light crisp and fresh. This one may be described as an operetta wine but it is a first class operetta. We have used Grenache, Shiraz, and Cabernet to make a wine which gives pleasure in a light hearted, undemanding way. Pink wines are always served chilled.

The Wine

Oak Treatment	– Nil
Colour	– Rose Petal Pink
Nose	– Cherries, and perfume
Palate	– Fresh raspberries with a crisp acid finish.
Cellar	– One to two years
Alcohol	– 11% alc/vol
